## Chairman's Message

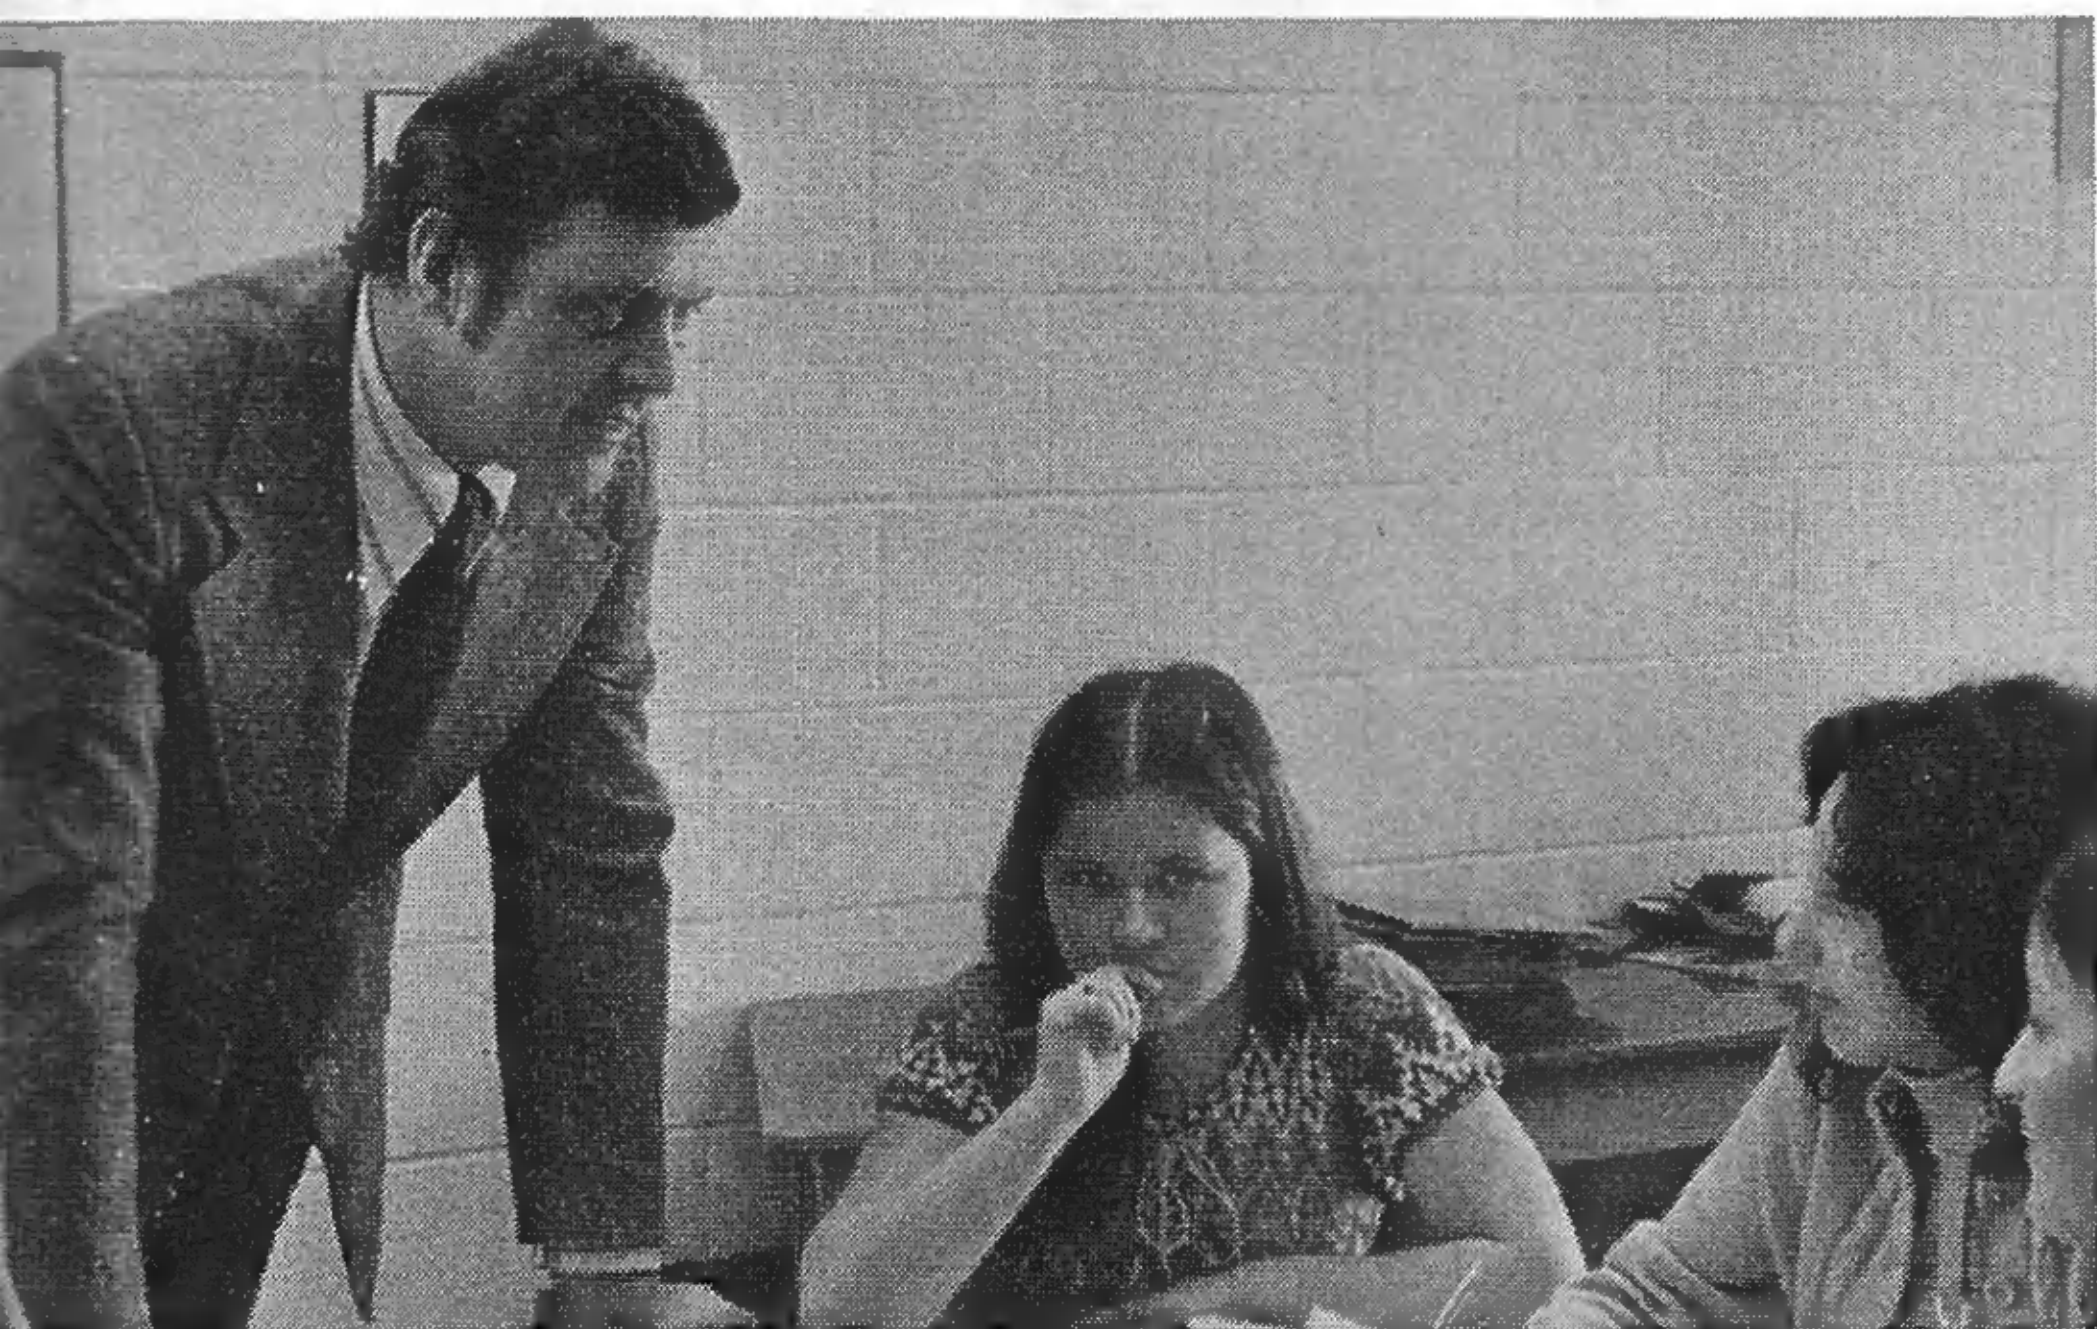

The greatness of Canada, throughout our history, has been the unique quality of the spirit of the people. On the frontier, on the battlefield, in the building of great cities, and in the constant search for new horizons, there has been an indomitable spirit to reach a goal. The compilation of a school yearbook is an manifestation and a record of young people working, playing and striving for new goals in education.

In your school association, you have laid the foundation for lifelong friendships and acquired knowledge from which you can build and discover new learning experiences. You have found enjoyment; pleasure and a sense of accomplishment from working together in athletics, dramatics, music, vocational and academic projects. As Chairman of the Board of Education, I congratulate you on recording this year of history in your lives, and offer you my best wishes for your future.

*George R. McCleary*

GEORGE R. McCLEARY  
CHAIRMAN OF THE BOARD

## Principal's Message

A junior high school must be all things to all students. There is no typical student. Each one is physically, emotionally and intellectually different. Programs in our school must reflect these individualities.

All of you are involved in special programs of one kind or another. Sports and outdoor education activities are well known and very popular. Special English and Mathematics classes and English for New Canadians represent just a few of the academic alternatives offered to you.

Each program is integrated into the total curriculum of the school; each is designed to encourage individual participation and contribution.

A part of your education must be to develop respect and understanding for each individual. Athletes, artists and students learning English for the first time all have a contribution to make to school life. It is your responsibility to see that each student is able to make that contribution without interference or ridicule. When you have achieved this, Oakdale will be a powerful force in your community.

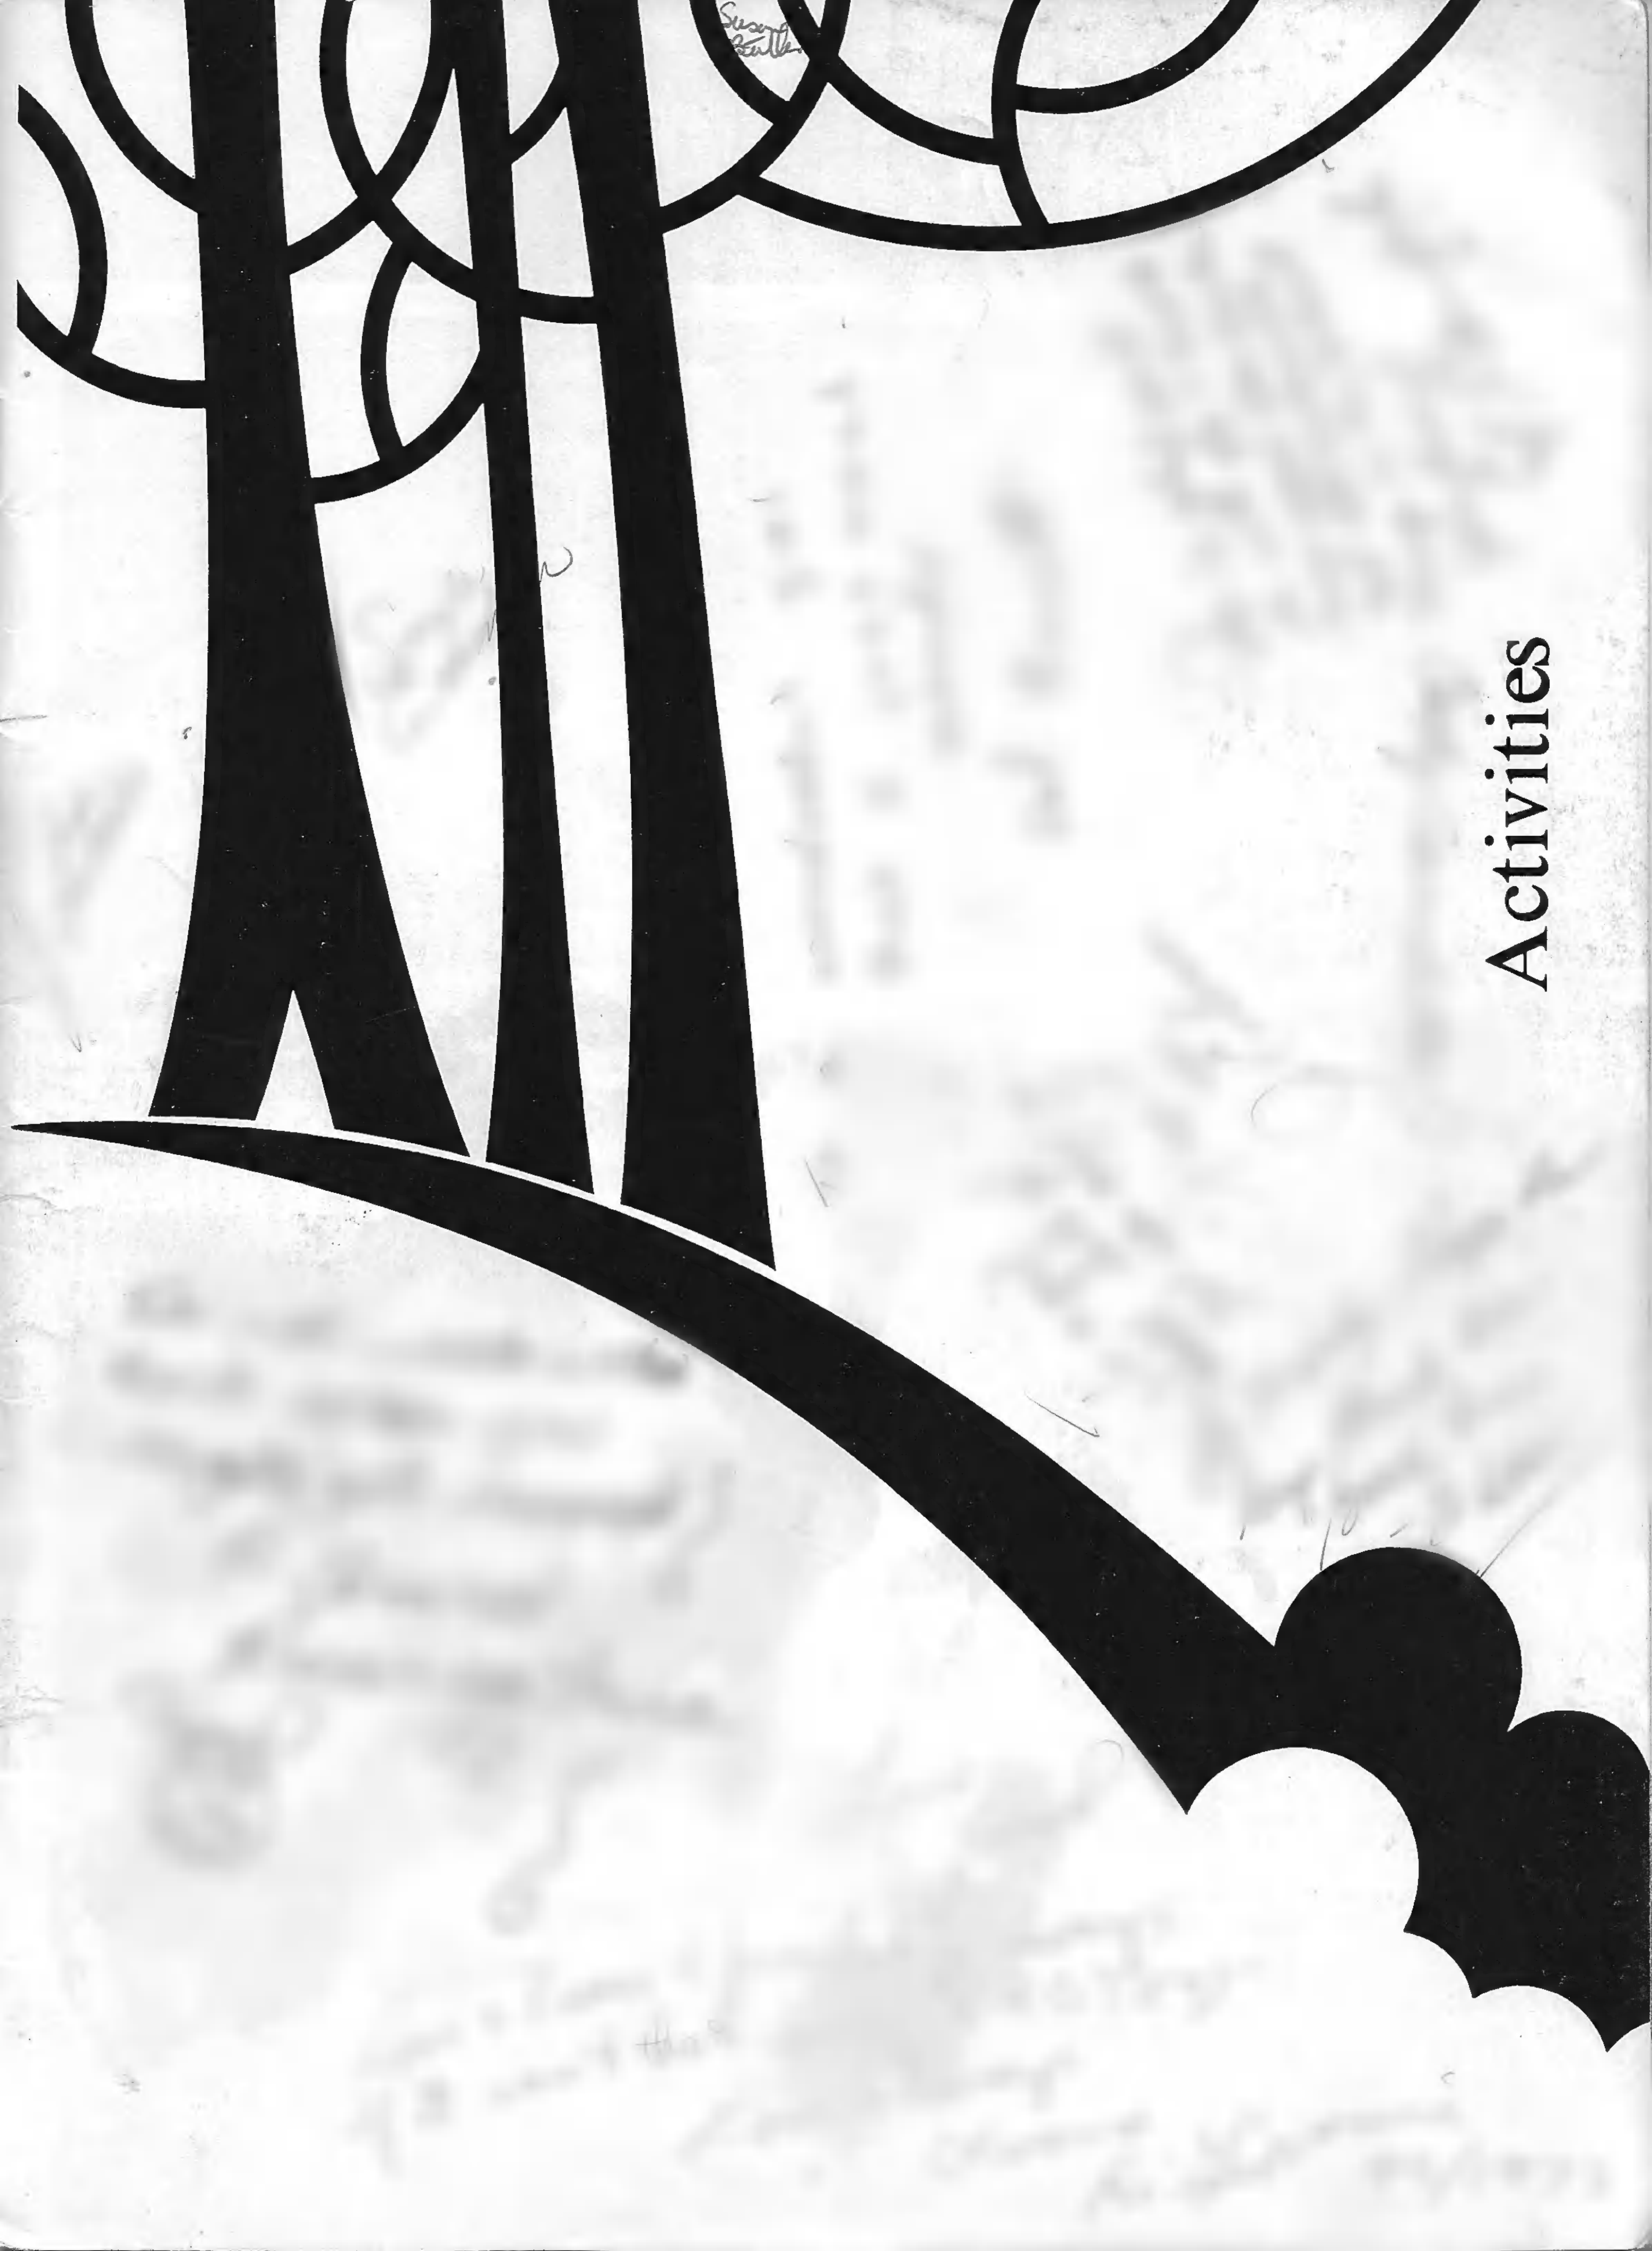

*D. W. Elliott*

Vice Principal  
Mr. Leclerc

# STUDENT COUNCIL

## Foster Parents Plan

In February, 1966, the Student's Council of Oakdale, working with their Principal, Mr. G. W. Clipperton, adopted through the Foster Parents Plan a young Korean girl, Kim Yung Mi. During the seven years since then our students have, through their efforts, continued the help which Yung Mi so badly needed. Now she and her family are in a position to support themselves comfortably by Korean standards. Her warm and heartfelt letter of thanks expresses a deep gratitude that our students, past and present, may share. Our present Student Council has decided that this kind of work is both rewarding and necessary and should be continued. We now have adopted an eight year old boy from Rio de Janeiro in Brazil, Jose Franca. So the Oakdale "family" continues to grow in another part of the world.

STUDENT COUNCIL, FRONT ROW, SITTING: Lesley Warren. SITTING ON BENCH: Mary Moore, Gina DiNapoli, Mr. Wareham, Cheryl McGrath, Fred Dibenedetto, Nicki Mucciaccoco (Pres.), Tony Carino, Eddie Debeljack, Dawn Cornish. STANDING BEHIND BENCH: Anne Grove, Roy Kang, Lori Janssen, Mandy Reeve, Jean Eliopoulos, Rocky Rocco, Norma DeLa Vega, Nick Lacaria, John Defino. THIRD ROW: Carol Pickles, Ron Dawe, Lori Shafer, Wendy O'Brian, Cathy Grey. BACK ROW: Tom Morris, Tim Morris, Lori McCubbin, Fred Luchetti.

SCHOOL PREFECTS, FRONT ROW: Fred Rubino, Eddie Debeljack, Gabriella Bosco, Soroya Schwartz, Tony Carino. SECOND ROW: Mr. Wareham, Rocky Rocco. THIRD ROW: Julie Maltese, Roy Kang, Tami Olynick, Lesley Sander, Martha De La Vega, Sylvia Deutschbein, Wendy O'Brian. 4th ROW: Carol Pickles, Valerie Barrett, Fred Luchetti, Jean Eliopoulos.

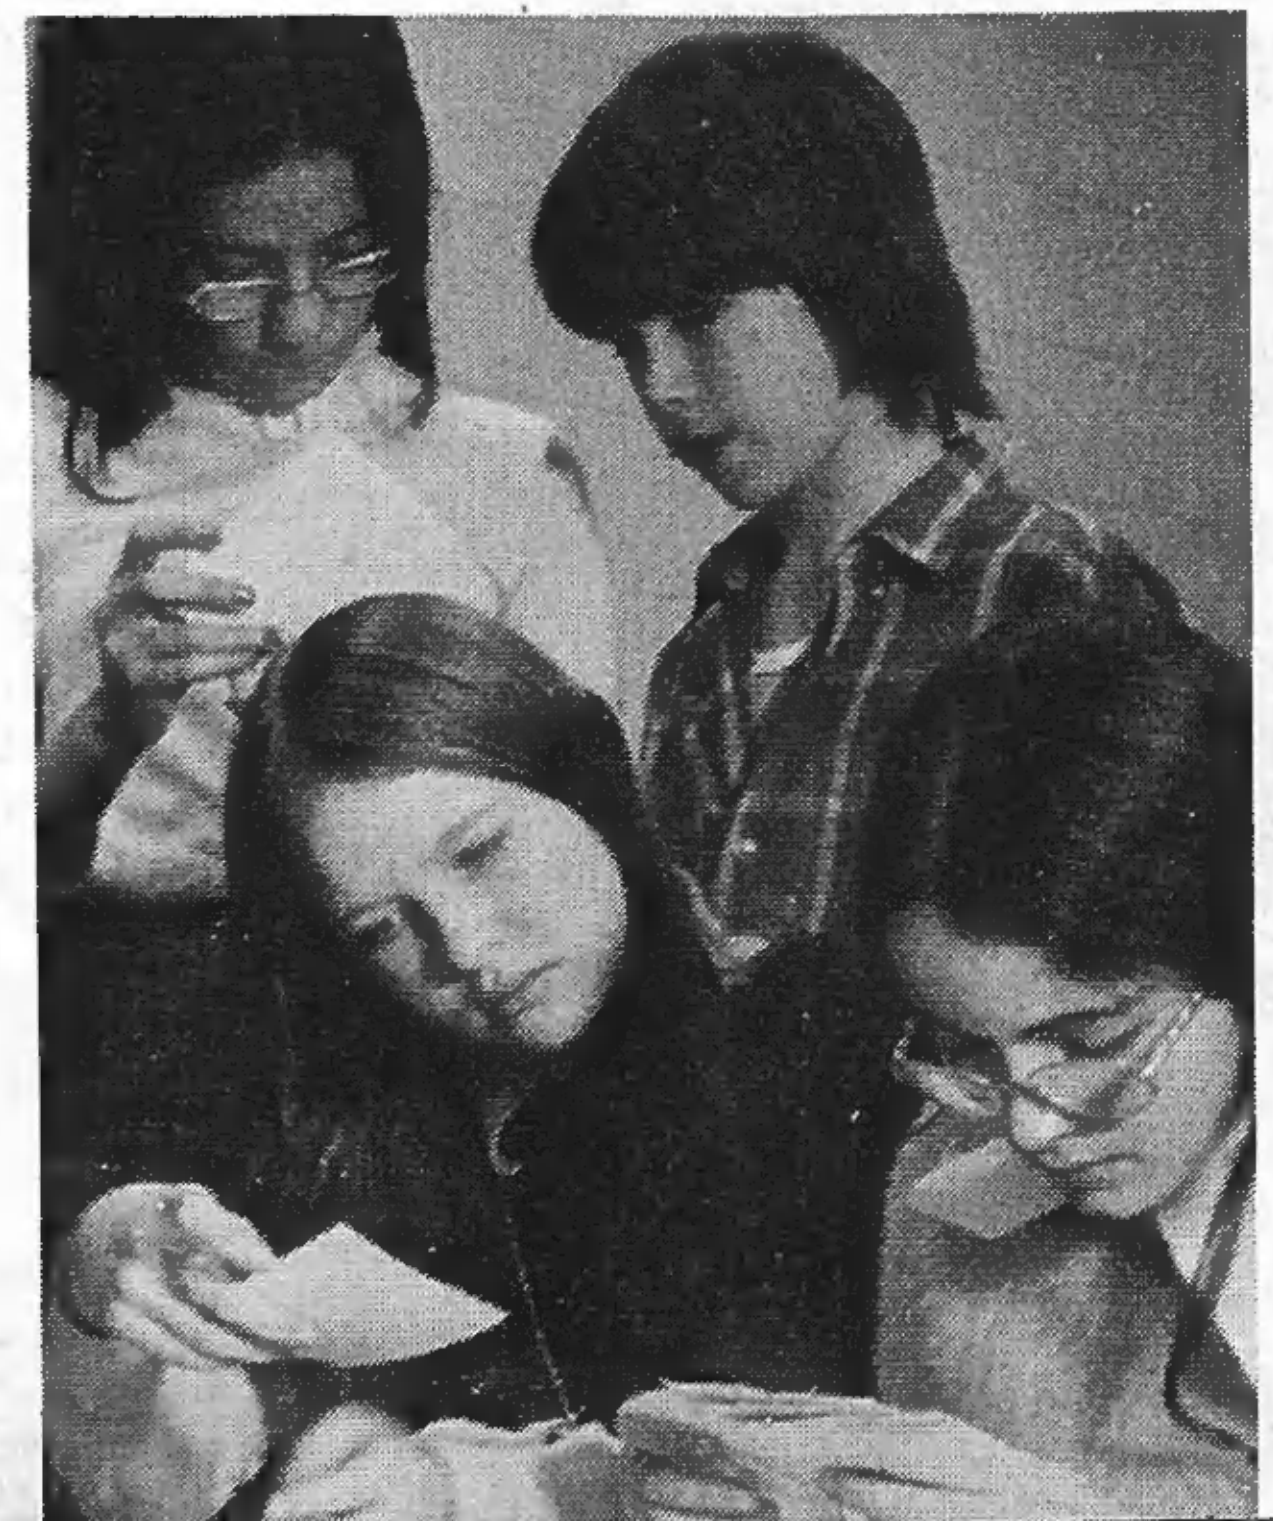

# YEARBOOK COMMITTEE

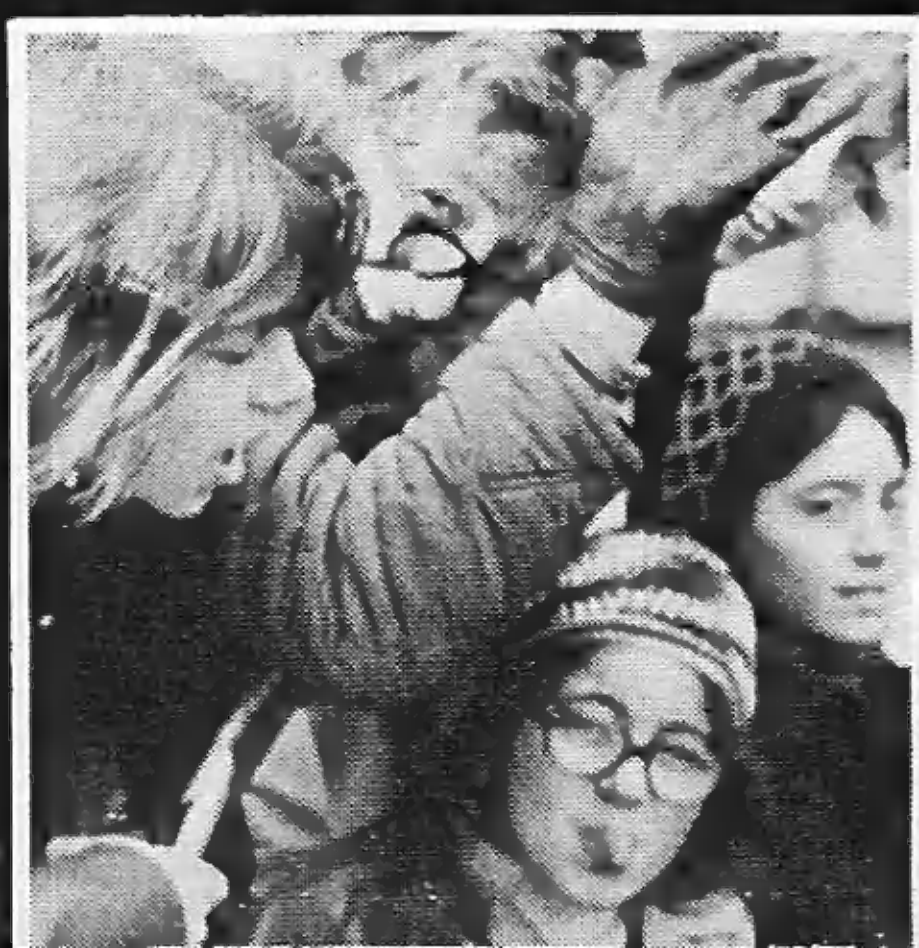

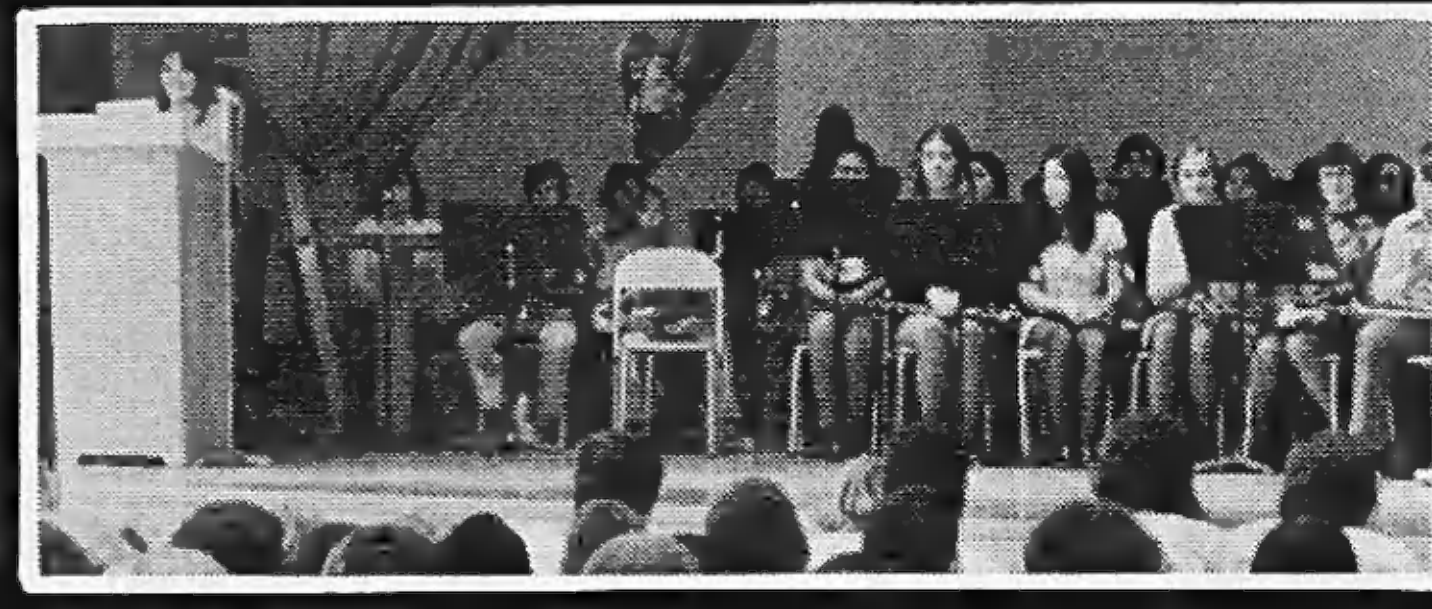

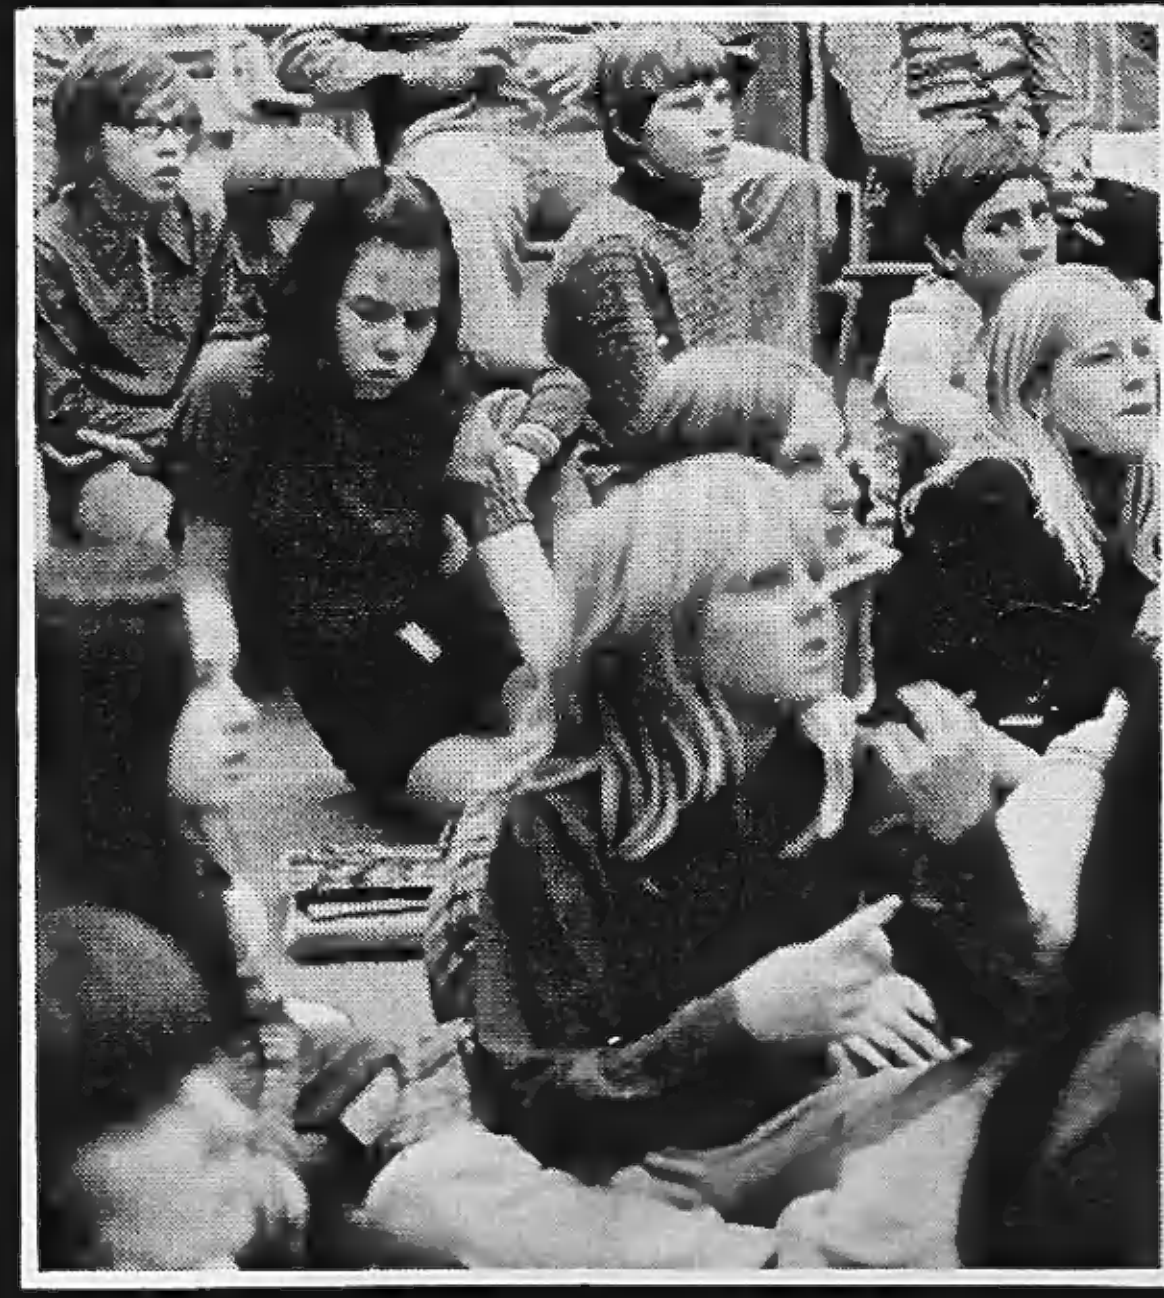

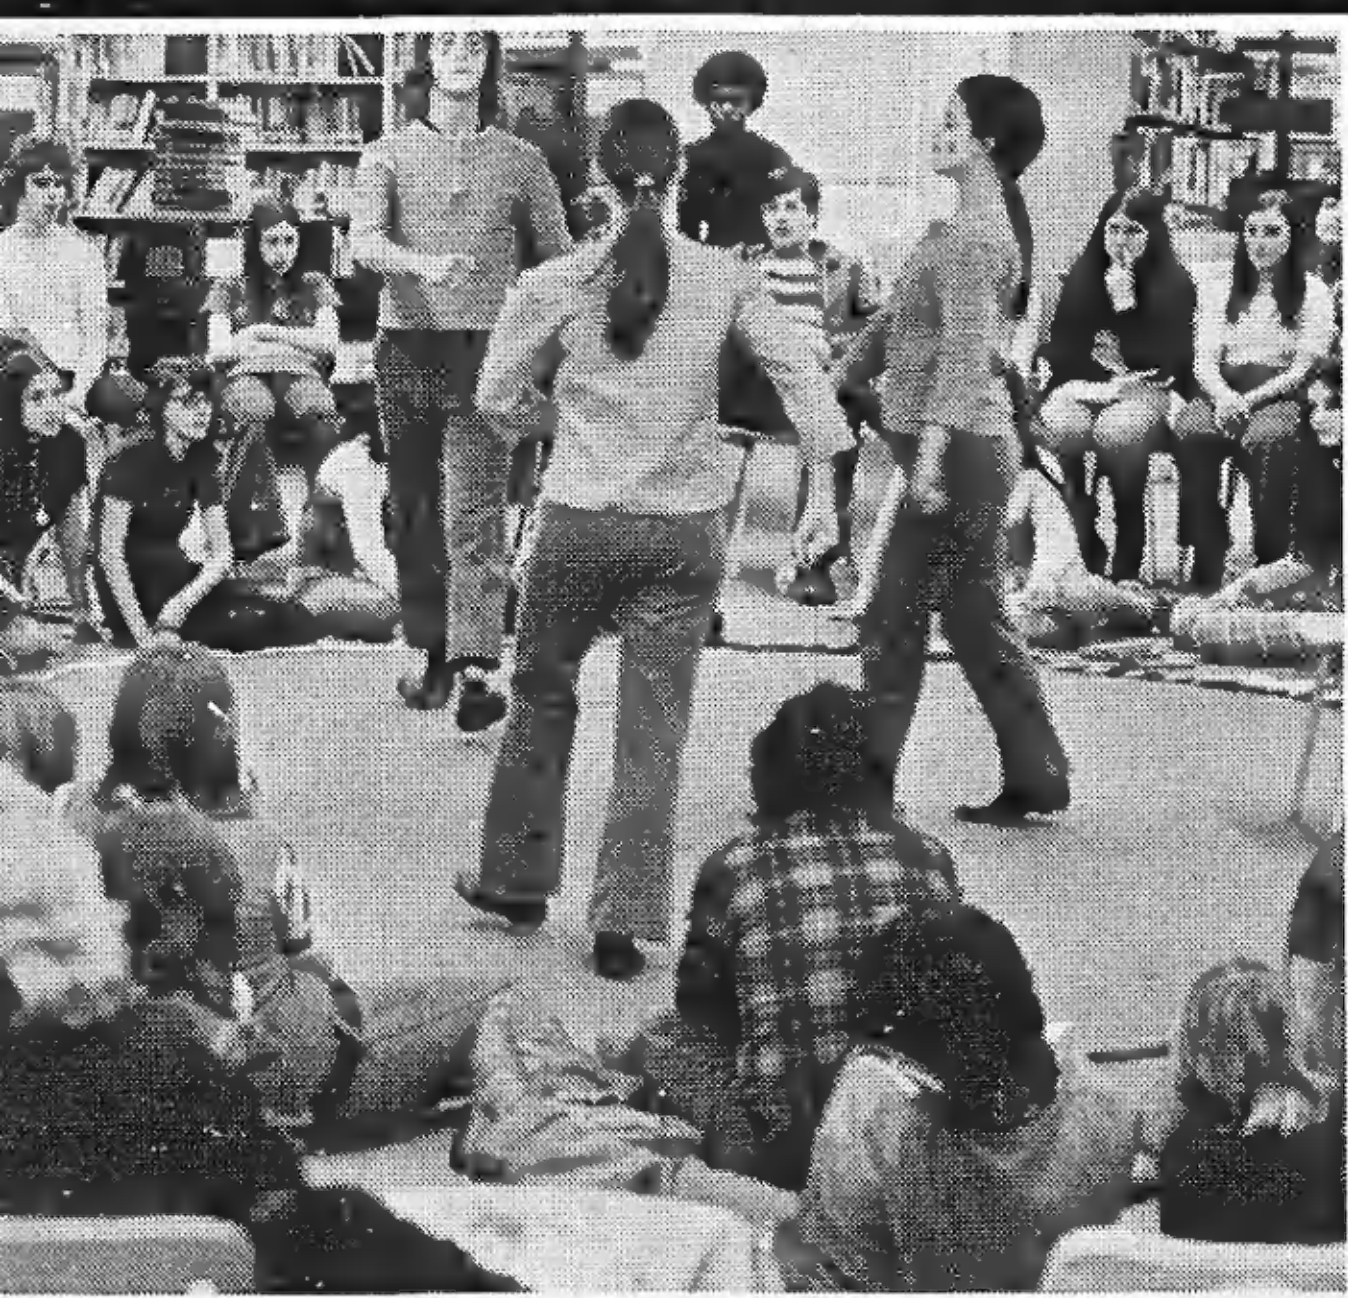

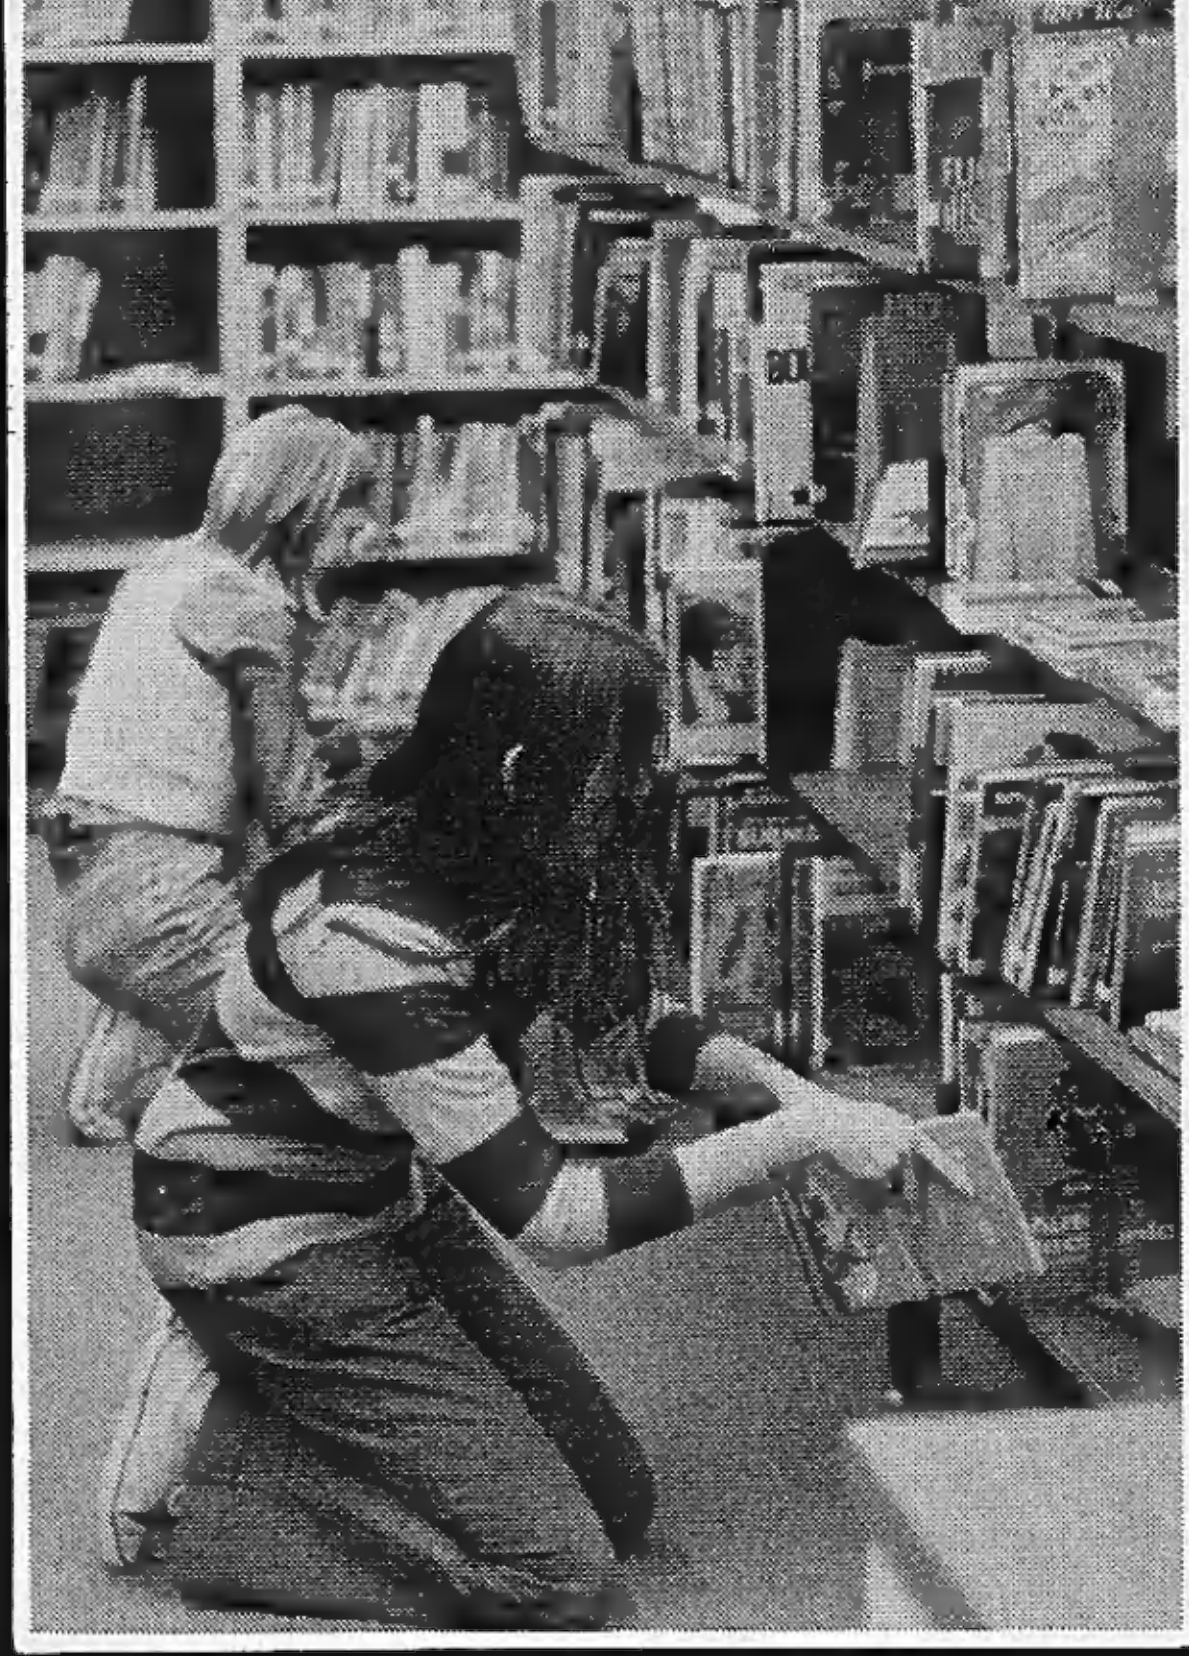

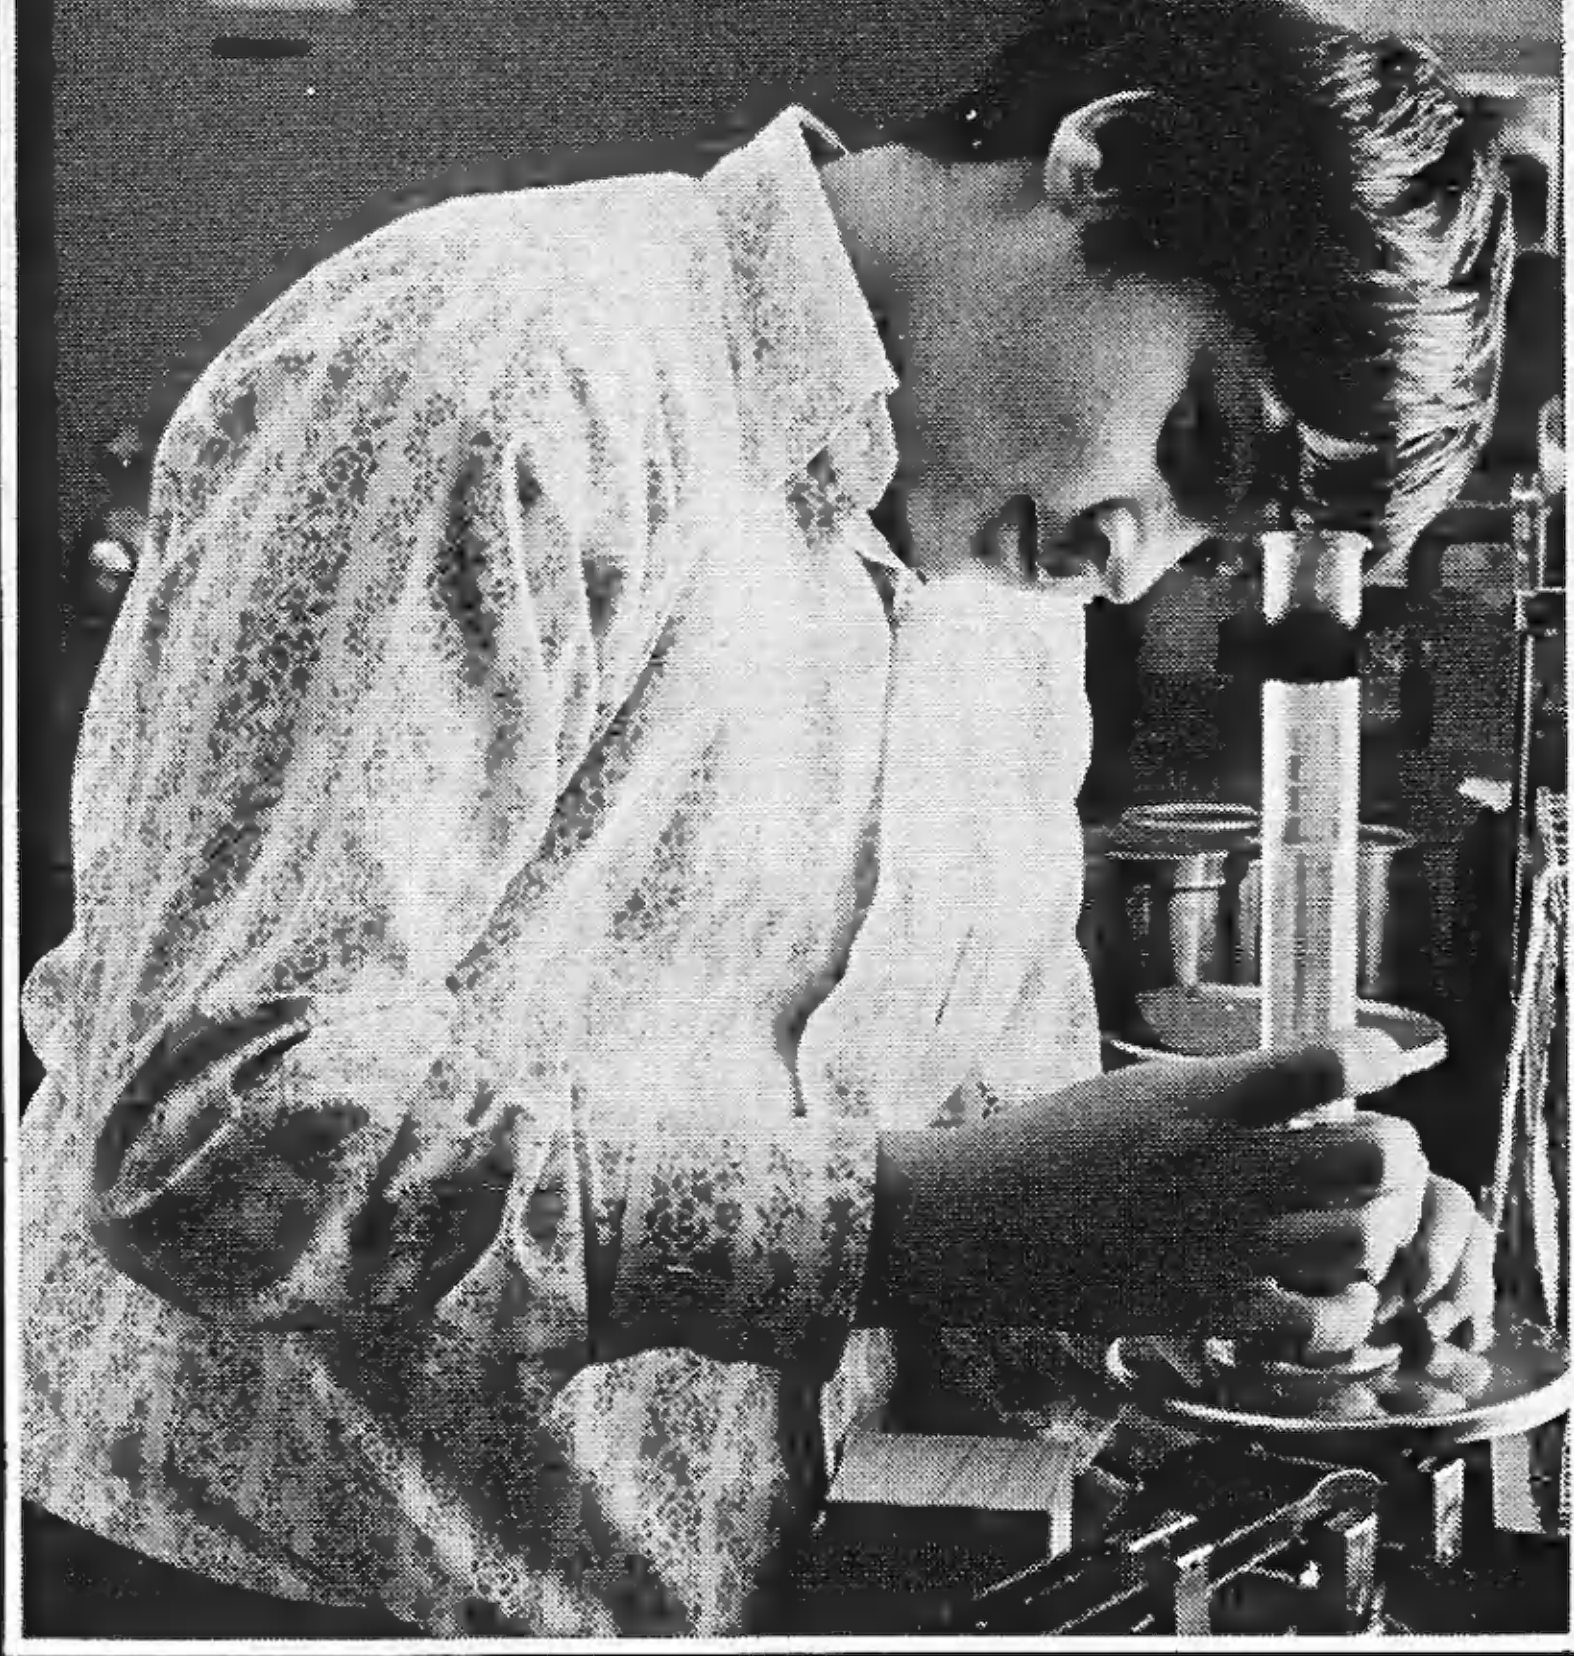

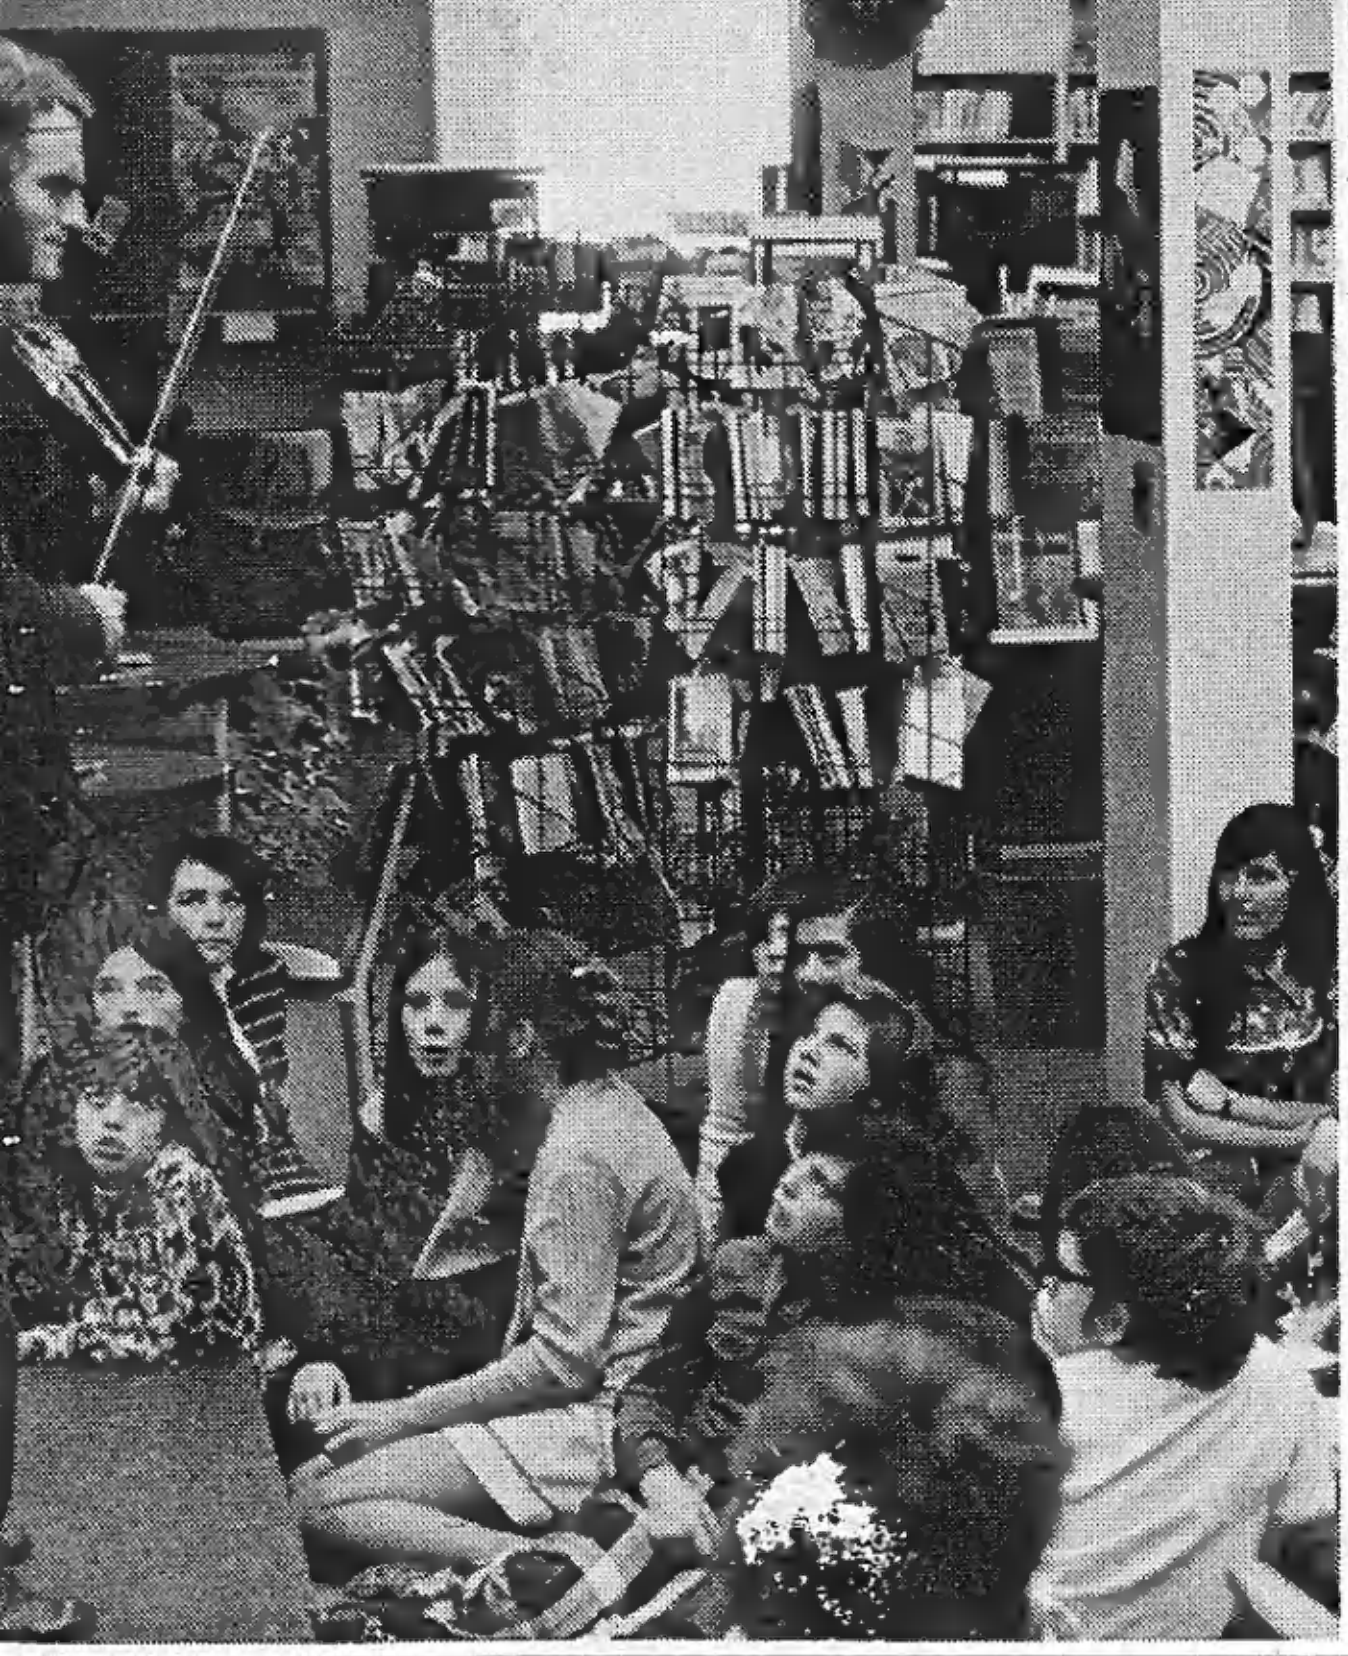

## We did it Again!

Our yearbook committee wasn't really a yearbook committee at all. A bunch of lazy moochers is more like it. Well, on second thought, maybe not lazy. Tim Morris worked like a dog on the cartoons, while Linda Fiore, Denise Cunningham, Marilyn Palmerio, Rose Figueiredo, Lynda Beaumont, Anne Taylor, Carmela Catenacci, and Lori Janssen were very close behind. There was alot of yelling, screaming, and protesting - but alot of laughing too! How could work be fun? I don't know, but it was. None of it could have been possible without a slave driver like Mrs. Michaels behind us to help when we needed it (often!), and to threaten to fail us if we didn't meet the deadline.

FRONT ROW: Maria Mitrovic, Linda Fiore, Carmela Catenacci, Diane White, Diane Donnell, Liz Neves, Susie Guccione. 2nd ROW: Sharon Powell, Maria Felice, Elane Wood, Gabriella Bosco, Leslie Mitchell, Sandra Pilch, Tim Morris, Brent Houston. 3rd ROW: Mrs. Michaels, Jeff Izwn, Rosina Pallotta, Claudio Cristini, Brian McCollam, Heather Grant, Francine Haber. 4th ROW: Mary Moore, Karen Kane, Debbie McConnell, Soroya Schwartz, Wendy Peever, Carmela Linardi.

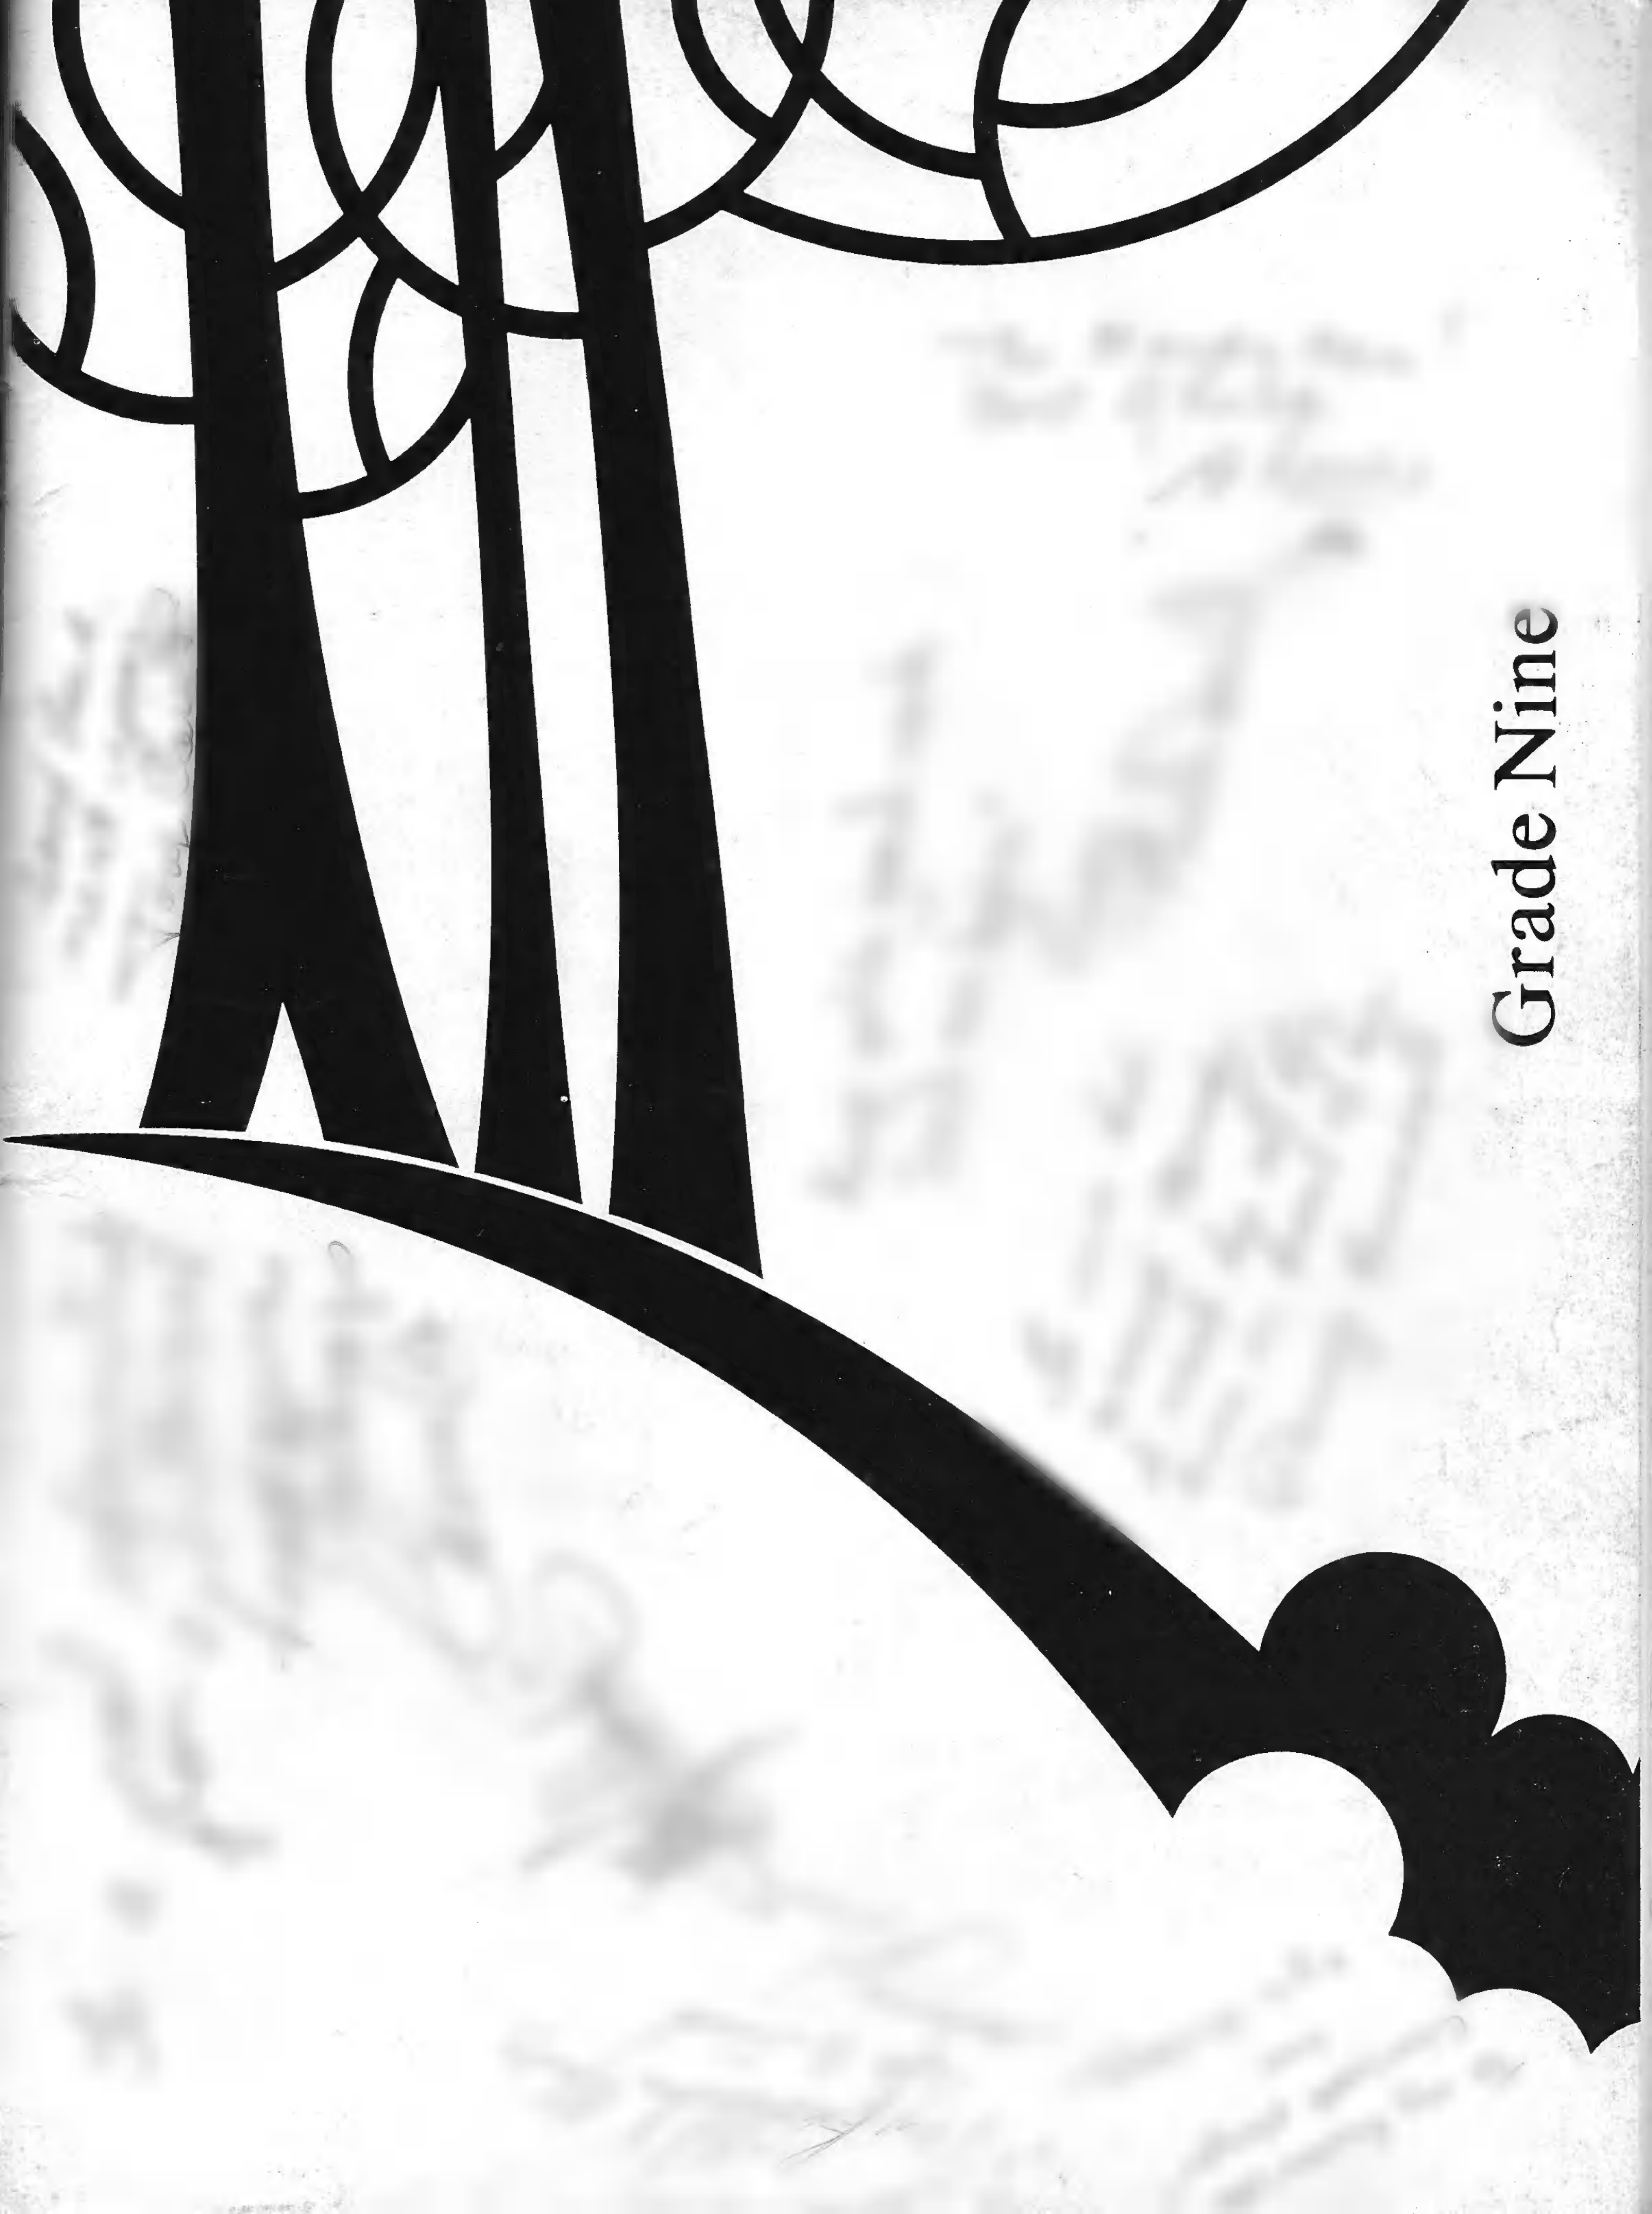

Do we  
really hate  
school that  
much?????

**THE FAT**

Football is the roughest game you'll be in. You'll get tackled or play zone for you when you touch. If you go down in the way to go!!

Because of the difference of ages to avoid rage. No generation has been able to avoid rage. That's why we have the gap between the old and the young. That's why we have the gap between the old and the young. That's why we have the gap between the old and the young.

Smart kids,  
**FAT KIDS**  
 LITTLE KIDS!  
**BIG KIDS**  
**TOUGH-KIDS.**  
**FAT KIDS!**  
**SKINNY-KIDS**

Because of the difference of ages to avoid rage. No generation has been able to avoid rage. That's why we have the gap between the old and the young. That's why we have the gap between the old and the young. That's why we have the gap between the old and the young.

Winter Time  
 Walking gayly  
 in the snow,  
 There are

footprints, everywhere I go  
 As I stroll the breeze will  
 blow, Beautiful patterns  
 in the snow. Sharon Powell 79

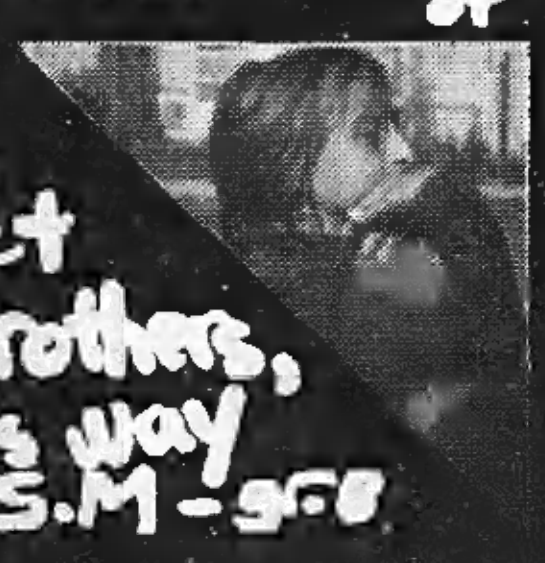

© Motion is....  
 the wind, floating  
 through the trees.  
 © Motion is a gull  
 soaring, and again,  
 © Motion is a truck, rattling  
 round the bend.  
 © Motion is a life, alive with  
 every breath.  
 © Motion is the beginning  
 © Motion is the end,  
 © Motion is a  
 trumpet call  
 just around  
 the bend.  
 © Motion is a  
 failure.... to some people I'm a  
 bum. Really deep inside me, I'm  
 really not a bum. I just put on an act  
 so I don't have to run. Run from my brothers,  
 Run from all my friends, It's hard to be this way  
 But everyone needs a friend. S.M.-98

**HE'S THE-1**

He's the one who should be proud,  
 He's the one who takes the bows,  
 He's the one who never stumbles,  
 He's the captain of the team.  
 He's the one who keeps our dream.  
 -Camille Mancini-84

Is Love...  
 Is Love blind  
 Is Love true  
 Always smart  
 Always making you blue  
 Always fussing  
 Always fighting  
 Always crying too  
 Is love like a jewel  
 Oh, Love, so never true....  
 Mary Miele 93

If you have something, let it  
 run free;  
 If it doesn't come back  
 it wasn't meant to be....
